Section 5. Fire Fighting Measures

National Fire Protection Association (U.S.A)
(estimated rating)

- Hazardous Combustion Products** CO and CO₂
- Extinguishing Media** Water, fog, dry chemical or carbon dioxide
- Unsuitable Extinguishing Media** Water may be ineffective but can be used to cool containers
- Fire Fighting Procedures** Stop spill/release if it can be done without risk. Move undamaged containers if it can be done safely. Contents under pressure. Keep away from ignition sources and open flames. Exposure to extreme heat and flames can cause them to rupture often with violent force.

Section 6. Accidental Release Measures

- Spill Clean Up** Stop spill/release if it can be done without risk. Prevent spilled material from entering sewers, storm drains and waterways. Eliminate all ignition sources. Avoid contact with spilled material. Do not touch or walk through spilled material. Clean up immediately. Use absorbent sweeping compound to soak up material and put into suitable container for disposal.

Section 7. Handling and Storage

- Handling and Storage** For industrial use only. Keep away from children. Wash hands after use. Do not get in eyes, on skin or on clothing. Do not breathe in vapors.
