

TECHNICAL DATA

DYNA MITE

Product Description and Purpose

DYNA MITE is the ultimate high-foaming liquid truck wash. This economical, biodegradable product is highly dilutable, rarely requires manual brushing and increases mileage by reducing the drag from road soil and film.

Features/Benefits

Concentrated
Labor-saving
Improves mileage
Heavy duty
High foaming
Free-rinsing
Biodegradable

Economical to Use
Manual brushing may be unnecessary
Reduces drag by eliminating road soil & film
Effective against many soils & difficult road film
Allows for longer contact time, better cleaning
Rinses easily to prevent spotting and streaking
Completely biodegradable & environmentally friendly

Surfaces Applicable

All hard surfaces typically encountered.
Use in truck washing operations where foaming application through foam equipment and free rinsing are required.

General Usage Directions

Predilute **Dyna Mite** 1 part with up to 50 parts water and apply to truck and trailer through a foamer. Allow foam to stay on surface 3 – 5 minutes and rinse thoroughly with hot water using high pressure for best results. (Do not let foam dry on glass surfaces.)

Physical Properties

Form	Liquid
Color	Red
Odor	Soap
pH	11.0-13.0
Specific Gravity	1.08-1.15
Foam	High
