

TECHNICAL DATA

Neetpez Heavy-Duty Degreaser

Product Description and Purpose

Neetpez is a concentrated neutral emulsion cleaner for removal of grease and soils. It can be used on all metals safely because it is formulated to contain no free alkali, acid or abrasives. It can be used straight or diluted with kerosene or safety solvent to penetrate and dissolve heavy encrusted grease quickly and thoroughly. Also used with water for lighter soil loads. **Neetpez** can be used by applying for spraying, mopping, brushing, and wiping on or as a pre-soak to subsequent metal prep operations.

Features/Benefits

- Concentrate
- No alkalis, acids or abrasives
- Safe on paint, leather, cloth, plating and all metals

General Usage Directions

Use **Neetpez** at 1-4 parts of kerosene or safety solvent for cleaning machinery, motors and equipment. Brush or spray on, allow to set 15-30 minutes, then hose off with water. For cold soak tank operation use **Neetpez** at 1-6 parts of kerosene or safety solvent. Rinse with water, steam clean or hot tank clean. For cleaning of painted floors use **Neetpez** at 1-8 parts of water, mop and rinse.

Physical Properties

Form	Liquid
Color	Hazy Pink
Odor	Petroleum
pH	7.0-8.5
Specific Gravity	0.86-0.88

Caution

Keep out of reach of children. Keep container tightly closed when not in use. Protect from freezing. For industrial use only. Read Safety Data Sheets for more information.
