

# TECHNICAL DATA

## Safe Solv

### Solvent Degreaser and Brake Parts Cleaner

#### Product Description and Purpose

**Safe Solv** is a heavy-duty degreaser and brake parts cleaner. With its powerful jet spray, **Safe Solv** instantly removes oil, grease, brake fluid, asbestos dust, and other soils. It cleans and dries quickly, contains no water, and leaves no residue. It dries ignition parts and cleans contact points. **Safe Solv** may also be used on both diesel and internal combustion engines, marine motors and power tools, as well as on refrigeration and air conditioning equipment. It is non-flammable and nonconductive.

#### Features/Benefits

- Removes a variety of soils
- Non-flammable
- Nonconductive

#### General Usage Directions

Spray on surface and let stand for a minute. Then, wipe off or rinse with second spray.

#### Physical Properties

Form	Liquid
Color	Clear
Odor	Characteristic

#### Caution

Keep out of reach of children. Keep container tightly closed when not in use. Protect from freezing. For industrial use only. Read Safety Data Sheets for more information.
